

Blueberries are, to a degree, self-fruitful. However, we recommend planting at least two different varieties to optimize fruit production (larger berries & larger yields). Choose two to three varieties with identical or adjacent bloom times for best pollination

Variety	Plant Size	Fruit Size	Bloom Time	Ripens	Fall Color	Additional Information
Berkeley	Northern highbush. Large & open spreading. 5'-7'	Large	Mid - late	Mid July to early August	Yellow, orange red	High dessert quality. Good freezer. Excellent producer.
Bluecrop	Northern highbush. Upright & open. 4'-6'	Large	Mid	Mid July to early August	Fiery red.	Good for fresh eating, preserves, baking & freezing
Blueray	Northern highbush. Upright & open. 4'-6'	Very large	Mid	Mid July	Brilliant red & yellow	High quality berries with outstanding dessert flavor.
Chandler	Northern highbush. Slightly spreading. 5'-7'	Largest	Mid - late	Mid July through August	Wine and Orange	World's largest blueberry. Best fresh or as a dessert.
Duke	Northern highbush. Upright. 4'-6'	Large	Early	Early to Mid July	Orange to burnt yellow	Use for baking and eating fresh. Full, rich flavor.
Earliblue	Northern highbush. Upright & open. 4'-6'	Medium to large	Very early	Early July	Red to burgundy	First to ripen and early to bloom. Delicious in muffins, pies & jams.
Elliot	Northern highbush. 4'-6'	Medium to large	Very late	Mid August to Mid September	Red to orange	Late bloomer and bearer. Pick when fully ripe or can be too tangy.
Jelly Bean™ Bushel and Berry (BrazelBerry)	Dwarf lowbush. Ball-shaped habit. 1'-2'	Medium to large	Mid	Mid July to Early August	Green with red leaf margins	Sweet, tastes like natural preserves. Great for containers.
Jersey	Northern highbush. Tall upright. 6'-8'	Medium	Late	Late July to Mid August	Orange to flame	Great for baking, freezing, and jam.
Patriot	Northern highbush. Open spreading. 3'-5'	Large	Early	Mid July	Fiery red, yellow and orange	Highly flavored. Great for fresh eating, canning & freezing.

Variety	Plant Size	Fruit Size	Bloom Time	Ripens	Fall Color	Additional Information
