

Legend

* - Higher Disease Resistance

** - On own root stock

CL – Climbing roses have numerous small flowers on long stems. They can be trained along a trellis or wall.

DA – David Austin Roses are a cross between old roses and modern varieties. They are repeat-flowering or highly fragrant.

FL – Floribunda roses have clusters of medium sized flowers on medium length stems.

GR – Grandiflora roses have clusters of long-stemmed elegantly shaped large blooms, a blend of hybrid teas & floribundas.

HT – Hybrid Tea roses have long elegant stems with one large flower per stem. Traditional “bouquet” flower.

SH – Shrub roses have numerous small or medium flowers on short stems. They are repeat-flowering, low in maintenance, and have a short spreading growth.

TR – Tree roses are Hybrid Tea, Shrub, Grandiflora, or Floribunda roses grafted high on a long single can into a tree-like form.
