

2021 ROSE LIST

LEGEND

CL - Climbing roses have numerous small flowers on long stems. They can be trained along a trellis or wall.

DA - David Austin Roses are a cross between old roses and modern varieties. They are repeat flowering or highly fragrant.

FL - Floribunda roses have clusters of medium sized flowers on medium length stems.

GR - Grandiflora roses have clusters of large flowers on medium length stems. They are a blend of Floribunda and Hybrid Tea roses.

HT - Hybrid Tea roses have one large flower on long stems. They are your traditional 'boquet' flower.

SH - Shrub roses have numerous small or medium flowers on short stems. They are repeat flowering, low in maintenance, and have a short spreading growth.

TR - Tree roses are Hybrid Tea, Shrub, Grandiflora, or Floribunda roses grafted high on a long single cane into a tree-like form.
